**How did you hear about
the Community Grant?** _____

Event Range of Dates Requested* _____

**Please note we are not able to extend the Community Grant award to events after 5:00 PM on Fridays or anytime on Saturdays or Sundays.*

Your organization's mission (brief):

1. Please give a description of your event. Also, note if the event is mission driven.
2. What are your primary event goals and how will you measure success? Preference is given to applications that provide specific metrics and benchmarks for success, including number of people reached.
3. Please provide an outline of the timeline of your event including setup and clean-up, as well as a brief agenda. All load-in, setup, tear-down and load out must take place within the specified rental times.

4. Is the event open to the public and free of charge? If there is a charge, what is it, what does it cover, and what happens with proceeds?

5. Who is your target audience? How many people do you hope to have in attendance? Please cite how and why they will be targeted.

6. Ecotrust's Community Grant program prioritizes organizations and events that support environmental and social equity, and that meaningfully involve diverse communities within our region. How will your event engage the values of equity and diversity in a meaningful way?

7. What is your budget for the event? Please include your breakdown for marketing, event coordination, rentals, day-of staff, and food and beverage. Please indicate if you give special preference to hiring goods and services from *MWESB* (minority, women, and emerging small business) entities. Note that Ecotrust offers an [exclusive catering list](#). We allow self-catering when specific purchasing and logistical guidelines are met. Please review the catering options prior to submitting your application and base your budget on actual pricing estimates. If alcoholic beverages are present at the event, they must be served by either an approved caterer or OLCC-licensed server. Liquor liability insurance is required. Please inquire for additional information.

8. What is your event outreach and marketing plan? Please include details regarding your communication strategy, social media outlets and metrics, and targeted press and media coverage goals.

9. Do you see alignment between your event and the mission of Ecotrust, and if so, what? See ecotrust.org to read our mission.

10. Would you like to use Ecotrust's Billy Frank Jr. Conference Center, Rooftop Terrace, Irving Street Studio or the Redd on Salmon Street? How do you intend to use each space?

11. Will you be documenting the event with photography, or via audio or video? If so, are you willing to share this documentation with Ecotrust for our community outreach and marketing purposes?

Award recipients will be asked to provide a one-page summary of the event within one month of its conclusion. Event summaries are an important component that enable us to evaluate and share the impact of the Community Grant program. Awardees that do not fulfill the follow-up report will not be considered for future Community Grants.

Please send applications to:

Jenna Stathopoulos, Event Logistics Manager

jstathopoulos@ecotrust.org

721 NW 9th Avenue, Suite 200 • Portland, OR 97209
